## JEFF BAKER JOINS M&M MANUFACTURING

FORT WORTH, TX, AUGUST 9, 2010: M&M Manufacturing Company is pleased to announce the hiring of Jeff Baker as Sales Representative in the Commercial Products Group covering Houston, TX and surrounding areas. Mr. Baker started his new position on May 10, 2010. He can be reached at (281) 630-1722 or by email at [jbaker@mmmfg.com](mailto:jbaker@mmmfg.com).

Jeff has over thirty years of experience in the industry and has worked with some of the industry's leading commercial HVAC firms.

"We believe the time is right for M&M to strategically increase our presence in the commercial marketplace", said Rob Felton, President of M&M Manufacturing Company. He offers, "Jeff's

experience will allow M&M to continue to invest in our future and ensure M&M remains a leader in the commercial HVAC industry".

M&M Manufacturing Company is a diversified sheet metal fabricator of round, rectangular, spiral and oval HVAC duct pipe and fittings for residential and commercial applications. M&M also offers general sheet metal products for roofing, ventilating, and architectural applications.

M&M provides superior high quality products with outstanding service, creating satisfied customers. From a two-person shop in 1958 to today's five technologically advanced manufacturing units, M&M has developed a reputation for reliability and service second to none. Whether you need prefabricated duct, custom HVAC sheet metal products, or precision tolerance sheet metal fabrications, you can depend on M&M!
