Terms & Conditions of Sale
03-28-11

Freight Policies

All local orders of \$5,000 or more are full freight allowed. Outlying areas require order values of \$8,000. Orders that do not qualify for freight allowed are generally shipped best way with freight prepaid and added to the invoice. Drop shipments have a minimum order of \$5,000 and need to be within a 50 mile radius of your branch. Drop shipments over 50 miles require a minimum order of \$8,000.

Minimum Orders

M&M has no minimum size requirement for an order. "Add-ons" are welcome with a new purchase order.

Credit Terms

Terms are 1% - 10, Net 30 unless otherwise specified. Any invoice remaining unpaid after the due date automatically places the account on hold, and no new purchases may be added to the account until the past due balance is paid in full. Interest will be charged on past due accounts at the rate of 1% per month or at the maximum rate allowable under Texas law. All invoices and billings are payable in Texas at the offices of M&M Manufacturing.

Return Goods

It is our aim that our customers be completely satisfied with our products. Products defective when delivered or products received damaged will either be replaced or credited at your option. Order errors and over stock may also be returned but might be subjected to a 15% restocking fee depending on M&M's ability to resale. Special ordered products may NOT be returned. Please call the order department for authorization and the best way to return goods. Products damaged through no fault of M&M are NOT returnable.

Acceptance of Orders

All orders are subject to acceptance by our sales department. Orders for less than our standard packaging quantity will be increased to the standard quantity. Most standard packaging quantities are included with your catalog. Where no quantities are listed, please call for packaging information.

Pricing

All prices are based on specified carton quantities. Prices are subject to change without notice, however, when possible, M&M Manufacturing Company will give a 30 day written notice. Call (817) 336-2311 for pricing inquiries.

Packaging

A 15% charge will be added for broken quantity orders. An "L" (Loose) is indicated in the packaging column for items that are sold individually without a carton. If a carton quantity is not indicated, the items are sold individually.
