

M&M Now Delivers ATCO Flexible Duct!

M&M now delivers ATCO flex duct in convenient FAST PACK quantities on their regular delivery trucks. No need to order a full truck load, get what you need when you need it. Helps manage your inventory better. Lets you service your customer better!

**Atco. Working Together.
Doing It Right.**

ATCO #036 and #031 are UL 181, Class 1 Air Ducts and are manufactured with a tri-directional fiberglass scrim reinforced, metalized polyester outer jacket. The inner core of these products is air-tight and designed for low-to-medium operating pressures in HVAC systems. ATCO #036 and #031 have increased insulation for superior thermal performance.
