New!!

Seamless Drain Pans Can Save You Money!!

- ✓ **Meets International Mechanical Code Requirements***
 - *24 Gauge Pans Only
- ✓ **One-piece Construction with Seamless Formed Corners**
 - Formed Corners Eliminates Possibility of Caulked or Soldered Seam Leaks
 - Fewer Callbacks Mean Less Time on the Job
- ✓ **Stackable Design Saves Space and Protects Edges**
 - Nested Stacking Reduces Storage Space by 85%
- ✓ **Galvanized Steel Construction**
 - Available in Multiple Sizes in 24 or 26 Gauge
- ✓ **Patented Design Pat # US D 485,283S**

When you consider the consequences of drain pan failures, why take chances with other style drain pans? It's all about choice and M&M gives you those choices in getting the job done right.

(NOTE: PVC Nipple Provided But NOT Installed When Shipped)
